Fee Schedules

Fee schedules contain the maximum allowable reimbursement.

They are organized by service type.

View the current fee schedule by clicking on “pdf” under latest version.

South Dakota Medicaid Physician Services Fee Schedule

Effective July 1, 2021

Providers must bill for services at their usual and customary charge. The fee listed below is the maximum allowable amount a provider may be reimbursed. Providers must append applicable modifiers to procedure codes. A list of authorized modifiers and payment effects is available at: <https://dss.sd.gov/docs/medicaid/modifiers.pdf>.

Providers should refer to South Dakota Medicaid's provider manual webpage for applicable coverage criteria and claim instructions: <https://dss.sd.gov/medicaid/providers/billingmanuals/>. For information regarding requesting a coverage or rate change refer to the Reconsideration, Reviews, Coverage Requests, and Fair Hearing provider manual. **Changes to current fees are indicated in red**

Health Homes Forms

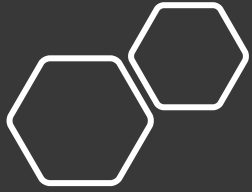

Health Home providers wishing to assist recipients with selecting or changing their health home provider should submit the [Health Home Selection and Change Form](#). If recipients do not wish to participate in the health home program, providers should submit a [Decline to participate form](#).

South Dakota Medicaid analyzes claims data every month to identify recipients eligible for the Health Home program and assign them to participating Health Homes. Health Home Providers may propose a Medicaid recipient for participation in the Health Home Program by completing a [Manual Tiering Document](#) and faxing it to 605.773.5246 with the required supporting documentation.

Health Homes are responsible for assuring that their members receive all medically necessary care, including primary specialty and behavioral health care. If the recipient sees another provider, they will need a referral. Community Mental Health Center Health Homes can use the [CMHC Health Home Referral Form](#) to send their recipients to another provider, they can use their electronic health record or communicate the referral telephonically. The Primary Care Provider Health Homes can use the [Health Home Referral Form](#) to send their recipients to another provider, they can use their electronic health record or communicate the referral telephonically. In all instances the referral should be documented in the recipients Electronic Health Record.

Provider Communications and Listservs

Provider Communication

South Dakota Medicaid utilizes multiple resources to communicate information about initiatives, policy changes, and program updates to enrolled providers. Recent communications are listed here. To ensure you receive future communication, join the Division of Medical Services [listserv](#).

Note: Not all communications are sent via the listserv. In some cases, targeted communication is sent directly to a specific provider group/taxonomy type. Once communication has been sent out, the communication will be added to the South Dakota Medicaid Provider Bulletins list.
