RE: South Dakota Medicaid ICD-10 Update: 82 Days to Implementation

Are you ready for ICD-10?

Will you be ready to submit claims with ICD-10 codes effective 10/1/2015? If not, please contact SD Medicaid so that we may work with you on preparedness. Email us at ICD10@state.sd.us and someone will be in contact with you in the next few days.

Test with SD Medicaid

We strongly encourage testing with SD Medicaid to avoid delays in payment after October 1, 2015! Please visit our [website](#) to learn more about testing your SD Medicaid claims with ICD-10 codes.

Electronic Claim Filing

SD Medicaid encourages all providers to file claims electronically. In addition to the benefit of more timely processing, many errors associated with data entry of paper claims can be avoided. ICD10 diagnosis codes have characters that can be confused with other characters. For example:

O/O

O/Q

5/S

1/I

2/Z
